## EXHIBITORS ADMISSION POLICY

**intelec**® exhibiting companies are required to meet the following criteria:

1) The company must be engaged in the design, development, manufacturing, marketing, distribution, operation or servicing of AC or DC power systems, energy conversion or energy storage equipment in communications networks or any other critical infrastructure as its principal business or maintain a department or division devoted to this work.

2) The company must offer products or services for sale directly to critical infrastructure or communications network integrators or operators.

Any exceptions to this policy will be reviewed by the Management Committee. The EXHIBITS-ONLY badges do not include attendance at the Technical Sessions of the conference.

Registration for the full Conference must be completed using the official registration form, which will be sent by mail or will be available on the website at [www.intelec2026.org](http://www.intelec2026.org).

Exhibit hours have been arranged to give exhibitors maximum exposure. Social functions have been planned in the exhibit area so that delegates meet on both a social and business level. All session coffee breaks will be held in the Exhibit Hall's food service areas.
